What is CAC?

The CAC is an advisory group to the Special Education Local Plan Area (SELPA). Sacramento City Unified School District is its own SELPA.

What does CAC do?

CAC provides training to parents of children in Special Education and provides input into the development, amendment, and review of the Local Plan for Special Education and to Special Education Administration.

Who is in CAC?

The CAC is made up of parents, educators, administrators and other public members who are interested in working for students who receive Special Education services

How can CAC help me?

The CAC provides the opportunity for members to be part of decisions concerning district Special Education policy and attend regular trainings regarding issues of concern to families and educators. Attending CAC meetings also gives parents the opportunity to meet other parents of children with special needs.

When are CAC trainings/meetings held?

CAC trainings are held the 3rd Tuesday of every month from 6:15-7:45 (**except May 2011—it is the 2nd Tuesday**) and are followed by general meetings which give parents the opportunity to hear Special Education Department updates.

CAC Trainings/Meetings are held at
