Deep Brain Stimulation Information Class

Are you or someone you know considering
Deep Brain Stimulation (DBS) Surgery?

This class is for YOU!

This class covers the basics of DBS surgery and therapy. Attendees will learn about the evaluation process for potential candidates, the benefits and risks of surgery, what to expect the day of surgery as well as the post-surgical recovery process. We will briefly review DBS stimulator programming. Attendees will have the opportunity to handle the DBS equipment in person.
