

Name: Lauren Bates

Title: Pediatric advanced practice provider supervisor

Address: 2315 Stockton Blvd. Sacramento, CA 95817

Email: Lebates@health.ucdavis.edu

Specialty: Pediatric general surgery

Philosophy of Care: Lauren is committed to service excellence and advancing compassionate, patient-centered care through strong clinical leadership. She believes in making a meaningful difference in the lives of patients and their families by fostering a culture of collaboration, integrity, and continuous improvement. In her leadership role, she believes in driving quality improvement initiatives that elevate care delivery and support Advanced Practice Providers (APPs) in providing exceptional, evidence-based care across all divisions. Her philosophy aligns with the UC Davis Nursing Mission to provide science-based, technologically advanced, and compassionate patient care, ensuring that APP team members feel empowered to lead and innovate in a dynamic healthcare environment.

Education: Bachelor of Science, Nursing – Indiana State University and Master of Science, Pediatric Primary Care Nurse Practitioner – Indiana University

Certification: Pediatric Nursing Certification Board- PNP -PC
