

**QUESTION AND
ANSWER SESSION**

ADVANCED PRACTICE FELLOWSHIP

JUNE 27 12-1 P.M.

The UC Davis advanced practice fellowship program is designed to support new graduate nurse practitioners (NPs) and physician assistants (PAs) in the critical first year as they transition into practice. The Q and A session allows you to meet our experts to learn more if specialty practice post graduate education is right for you.

Trauma Surgery - Radiology -
Burn Surgery - Endocrinology -
Oncology - Neurology -
Neurosurgery - Orthopedics
