

**Name:** Carisa Hotari M.S., P.A.-C.

**Title:** Emergency Medicine APP Supervisor

**Address:** 2315 Stockton Blvd. Sacramento, CA 95817

**Email:** chotari@ucdavis.edu

**Specialty:** Emergency Medicine

**Philosophy of Care:** "Making a difference in my patient's life by listening, understanding their needs and keeping open communication." Carisa has 16 years of clinical experience as a PA in the Emergency Department. In 11 of those years, she has held a leadership position. Her leadership experience not only includes managing PA/NPs, she also has much experience with process improvement, development of systems with the APPs and physicians, increased revenue capture with improved billing, created an internship program for new graduates and new to ER APPs and has precepted many PA, NP and med students. Carisa is a proponent of every APP working to the top of their license.

**Education:**

Bachelor's of Science in Human Physiology from Michigan State University - Dec 2003

Master's of Science in Physician Assistant Studies from Wayne State University in Detroit - Apr 2008

**Certification:** Board Certified Physician Assistant - Jun 2008
