

**DEPARTMENT OF PATHOLOGY
AND LABORATORY MEDICINE
GRAND ROUNDS
11a.m. – 12 p.m. MONDAY
January 6, 2025**

“Advancing Women’s Health.”

1. Understand the establishment and mission of the Office of Research on Women’s Health (ORWH) in 1990, and its role in addressing health inequities faced by women.
2. Recognize the historical context and significance of the Women's Health Initiative (WHI), including its launch in 1991 and its focus on mid-life to older women.
3. Analyze the commitment of WHI to the equitable inclusion and retention of historically underrepresented race and ethnicity groups in health research.
