October 27

Deborah Powell, M.D.
Professor and Dean
Emerita
University of
Minnesota

Dr. Powell is a well-known champion for competency-based education, and an innovator in GME and UME curriculum, including the transition from medical school to residency. She was elected to the National Academy of Medicine in 2000 and was a recipient of the AAMC's prestigious Abraham Flexner Distinguished Service in Medical Education Award. She has served in many leadership roles, including chair of the AAMC's Council of Deans, President of USCAP and a trustee and President of the American Board of Pathology.
