Dr. Mitchell is the immediate past Chief Medical Examiner for Washington, D.C., where he served from 2014 to 2021. He is the only forensic pathologist to also serve as the city’s Interim Deputy Mayor for Public Safety and Justice. Dr. Mitchell has performed approximately 2,000 forensic autopsy examinations and has testified as an expert witness in over 60 cases. His recent academic research on gunshot wounds is highlighted in the Journal of Acute Care Surgery and the Journal of the American College of Surgeons.
