

## Hospital parking: Parking Structure 3

Parking Structure 3 is the main parking for UC Davis Medical Center, with 479 spaces allocated for patients and visitors and no time limit. An electronic system displays how many spaces are available. Each space has a green (*open*) or red (*occupied*) light to indicate if the space is available.

### 1 PULL your ticket and check the display

- Check the electronic display for the number of open spaces on each floor. Note: Patient/visitor parking is on the Lower Level, Level 1 and Level 2.

### 2 PARK in spaces with green lights

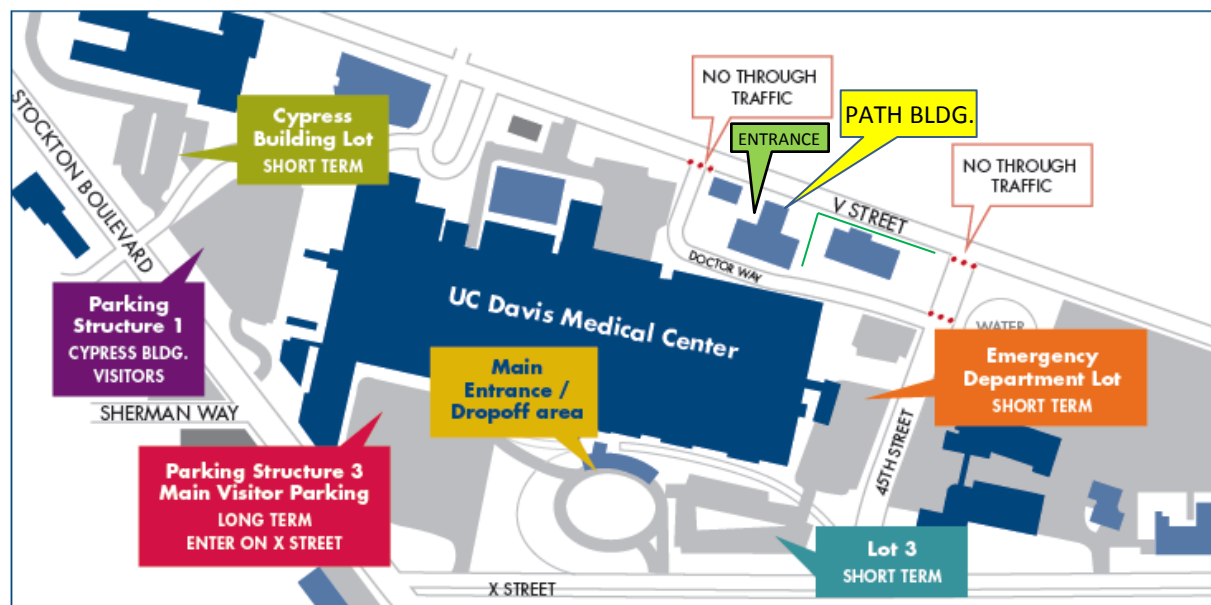

- A green light over a space means it is open, and a red light means it is occupied. Blue lights show disabled spaces.
- Please take your ticket when you exit your car.
- Each level is color-coded for convenience.  
Lower Level: yellow. Level 1: green. Level 2: orange.

### 3 Get where you want to GO

- Enter the hospital through the main lobby to access the Davis Tower, pavilion area, admissions, surgery, emergency, pharmacy, radiology, cardiology and cafeteria.
- Use the University Tower lobby entrance to access the East Wing, University Tower, Children's Surgery Center and MRI suite. Note: This entrance is closed on weekends.

### 4 PAY before you exit

- Pay at the cashier station or at an automated pay station before returning to your vehicle. **There is no cashier at the exit gate to collect your payment.**
- The cashier station on Level 1 accepts cash, debit and credit cards. You must pay here if your ticket has been validated. Also come here for disabled placard discounts and discounted weekly/monthly permits.
- Automated pay stations on Level 1 accept cash or credit cards, with no validations.
- Parking is \$2/hour (or a fraction thereof) with a \$12 daily maximum.

## Disabled and mobility assistance

Disabled parking is located on the Lower Level and Level 1. Blue overhead lights show disabled spaces.

- To request a wheelchair or mobility assistance, speak with a parking attendant or call 916-703-4309.
- If you have a disabled placard or license plate, please see an attendant at the central cashier station to inquire about a discount.

## Other parking options at the medical center

All parking is \$2 per hour with a \$12 daily maximum. Cash or credit cards are accepted. Disabled spaces are available in all parking lots listed below.

### Emergency Department (1-hour and 2 1/2-hour limit)

10 spaces (1-hour) are available for medical emergencies only. Do not park in spaces reserved for medical staff. 35 spaces (2 1/2-hour) are also available. Pay at an automated pay station and display receipt.

### Lot 3 (1-hour limit)

95 spaces available. Pay at automated stations and display receipt.

### Cypress Building Lot (2 1/2-hour limit)

18 metered spaces and 21 disabled spaces. Pay at automated station adjacent to pharmacy and display receipt.

### Parking Structure 1 (weekdays only)

Convenient for access to gastroenterology, acute infection management (AIM), vascular access, apheresis, pulmonary lab or sleep lab. Pay attendant at exit gate. Lot closes to new patient/visitor entries at 6 p.m. and is closed weekends to all patients/visitors.
