Speakers, moderators, panel members, and planning committee members participating in a sponsored activity are expected to disclose to the audience any significant financial interests or other relationships with manufacturers of commercial products and/or providers of commercial services that will be discussed in their presentations. The intent of this disclosure is not to prevent speakers with significant financial or other relationships from making presentations. Rather, disclosure allows listeners to determine if content is evidence-based and free of commercial bias, and it demonstrates how speakers will resolve conflict when it exists. All presenters must agree to provide verbal disclosure prior to presentations. A complete disclosure statement and acknowledgment of commercial support for this program will be included in the syllabus provided at the activity.
