

In-House Seminar Series

Physiology & Membrane Biology

James Trimmer, PhD

Professor

*Departments of Physiology & Membrane Biology
& Neurobiology, Physiology & Behavior*

**“Voltage-gated Kv2 K⁺ channels
and ER-plasma membrane
junctions in brain neurons”**

Friday, November 20, 2015

4:00 PM

Tupper Hall Rooms 2133 & 2135

Light refreshments will be served
