

The New Definition of Firm

BIO COMPLETE SERUM

SENTÉ's Bio Complete Serum features a unique combination of patented HSA technology, sustained release retinol, hyaluronic acid and other key ingredients for firmer and smoother skin.

Visible results by week 8

- 88% of patients showed improved skin smoothness in 8 weeks
- 88% of patients showed a reduction in fine lines and wrinkles in 8 weeks
- 100% of patients showed improved skin texture in 8 weeks

*Data on file at SENTÉ

HYALURONIC ACID

a natural component of the skin that holds in moisture, keeping skin healthy, resilient and supple

HSA

a patented ingredient found exclusively in the SENTÉ product line. HSA helps promote skin matrix health and provides the benefits of firmer, stronger, more elastic skin

SUSTAINED RELEASE RETINOL

works to continuously renew the skin without irritation, resulting in a diminished appearance of fine lines and wrinkles
