

## Internship Program Tables

Date Program Tables are updated: 08/10/21

### **Internship Program Admissions**

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

Intern selection is made by a committee comprised of the training director, associate training director, and the supervising training psychologists. Applicants are rated on the basis of their clinical training (i.e., assessment and therapy), academic coursework, letter of recommendations, clinical and research interests, progress toward dissertation completion, and stated goals for internship. Strong writing skills are also favorably evaluated, as evidenced by the APPI essays and redacted psychological report. Those prospective candidates assessed by the committee to hold interests and goals most closely matching those opportunities offered by our program will be asked to participate in an on-site or virtual interview.

Successful clinical child psychology interns will demonstrate interest and goals related to receiving training from a strong academic approach that emphasizes evidence-based treatment within the context of providing complex clinical work in a community mental health and/or integrated behavioral health outpatient settings. Following a developmentally appropriate, culturally sensitive, and trauma-informed systems approach to client care, interns develop competencies throughout the training year in order to coordinate and collaborate with several professionals involved in the client's care, including those working in the mental health, medical, academic, and legal domains.

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:

|   |    |                   |                          |
|---|----|-------------------|--------------------------|
| Total Direct Contact Intervention Hours | No | <b><u>Yes</u></b> | Amount: <b>350 hours</b> |
| Total Direct Contact Assessment Hours   | No | <b><u>Yes</u></b> | Amount: <b>50 hours</b>  |

Describe any other required minimum criteria used to screen applicants:

Applicants currently enrolled at an **APA-accredited graduate university** from a **clinical or counseling psychology are preferred**. Applicants from educational psychology programs with a strong emphasis in clinical training will also be considered.

Prior to the interview, applicants must have completed **at least 3 years** of graduate level training, **350 hours** of doctoral level supervised intervention hours, **all doctoral coursework** as required, pass their academic program's **comprehensive exams**, be accepted into **doctoral candidacy**, and have an **accepted dissertation proposal** before the beginning of the internship. Successful applicants will have acquired doctoral level

**experience with children and adolescents** and have written at least **three integrated psychological assessment reports (preferably with a child and/or adolescent client) and/or completed 50 hours of Assessment Interventions**. Due to covid-19 impacting the accrual of supervised clinical experience (intervention and assessment hours and number of psychological reports), the UCD Clinical Child Doctoral Internship program may consider applicants who are close to meeting these requirements and include in their coverletter how their hours have been impacted and what they have done to supplement their clinical experience.

**Financial and Other Benefit Support for Upcoming Training Year**

|   |                                 |    |
|---|---------------------------------|----|
| <u>Annual Stipend/Salary for Full-time Interns:</u>             | <b>\$30,000</b>                 |    |
| <u>Annual Stipend/Salary for Half-time Interns:</u>             | <b>N/A</b>                      |    |
| <u>Program provides access to medical insurance for intern?</u> | <b><u>Yes</u></b>               | No |
| <u>If access to medical insurance is provided</u>               |                                 |    |
| <u>Trainee contribution to cost required?</u>                   | <b><u>Yes</u></b>               | No |
| <u>Coverage of family member(s) available?</u>                  | <b><u>Yes</u></b>               | No |
| <u>Coverage of legally married partner available?</u>           | <b><u>Yes</u></b>               | No |
| <u>Coverage of domestic partner available?</u>                  | <b><u>Yes (if eligible)</u></b> | No |

Hours of Annual Paid Personal Time off (PTO and/or Vacation): **20 days vacation, 4 days educational leave per year= 24 days/year (192 hours)**

Hours of Annual Paid Sick Leave: **12 days per year (96 hours)**

In the event of medical conditions and/or family needs that require extended leave, does the program allow reasonable unpaid leave to interns/residents in excess of personal time off and sick leave?

**Yes**    No

**Initial Post-Internship Positions**  
(Aggregated Tally for Preceding 3 cohorts)

|   |                                     |                      |
|---|-------------------------------------|----------------------|
| Total # of interns who were in the 3 cohorts:   | 2                                   |                      |
| Total # of interns who did not seek employment because they returned to their doctoral program/are completing doctoral degree | 0                                   |                      |
|   | Post-doctoral<br>residency position | Employed<br>position |
| Community mental health center  |                                     |                      |
| Federally qualified health center   |                                     |                      |
| Independent primary care facility/clinic  |                                     |                      |
| University counseling center  |                                     |                      |
| Veterans Affairs medical center   |                                     |                      |
| Military health center  |                                     |                      |
| Academic health center  | 2                                   |                      |
| Other medical center or hospital  |                                     |                      |
| Psychiatric hospital  |                                     |                      |
| Academic university/department  |                                     |                      |
| Community college or other teaching setting   |                                     |                      |
| Independent research institution  |                                     |                      |
| Correctional facility   |                                     |                      |
| School district/system  |                                     |                      |
| Independent practice setting  |                                     |                      |
| Not currently employed  |                                     |                      |
| Changed to another field  |                                     |                      |
| Other   |                                     |                      |
| Unknown   |                                     |                      |
|   |                                     |                      |
