

Lofti Hacein-Bey, M.D.

Associate Physician Diplomate

Specialties

Neuroradiology, Interventional Neuroradiology

Department

Radiology

Division

Neuroradiology and Interventional Neuroradiology

Internal Contact Information: 916-734-8992

BIO

Philosophy of Care and Clinical/Research/Academic Interests

Dr. Hacein-Bey's philosophy of care is multidisciplinary, evidence-based, compassionate, and personalized to each individual patient. Dr. Hacein-Bey's research interests include cerebrovascular diseases and stroke, functional brain and spinal cord evaluation with advanced neuroimaging, and certain spine disorders. Dr. Hacein-Bey's academic interests include novel ways of teaching and educating the next generation of physicians, and ethical aspects of medicine, including those related to increasing reliance on artificial intelligence.

EDUCATION

Board Certifications and Other Certifications and Licenses

American Board of Radiology, 1998

French Board of Radiology, 1987

CAQ American Board of Radiology, 1999

Undergraduate School

Inter-Colleges Jesuit School, Algiers, Algeria, 1975

Medical School

Algiers Medical School, Algiers, Algeria, 1981

Internships

Algiers Medical School, Medicine/Surgery, Algiers, Algeria, 1980-81

Algiers Medical School, Pediatrics/OB-GYN, Algiers, Algeria, 1980-81

Residency

University of Paris V-St Louis Hospital, Paris, France, 1984-1987

Fellowships

Neuroradiology, Harvard Medical School, Boston, MA, 1989-93

Interventional Neuroradiology, Massachusetts General Hospital, Boston, MA, 1989-93

Interventional Radiology, Beth Israel Deaconess Hospital, Boston, MA, 1997-98

Professional Memberships

American Society of Neuroradiology

American Society of Functional Neuroradiology

American College of Radiology

American Medical Association

AWARDS AND RECOGNITIONS

Guest Speaker, Radiological Society of North America (RSNA), Practical stroke imaging Transatlantic Course on Stroke Imaging and Endovascular Treatment: Now and the Future. Session MSSR24B, RSNA, December 1, 2021

Guest Speaker, French Society of Radiology Meeting (Sessions on MRI Safety and Telestroke), Paris, France, October 8-11, 2021

Fellow, American Society of Functional Neuroradiology (In-person meeting in September 2021 for 2020 distinction)

Guest Speaker, European Congress of Radiology, Session TC 228 European Congress of Radiology Online Meeting, March 3-7, 2021

Best Doctors in America® (2019-2020)

Guest Speaker, European Congress of Radiology, Practical stroke imaging Transatlantic Course, ESR (European Society of Radiology) and RSNA November 3-4, 2020

Guest Speaker, Radiological Society of North America (RSNA), Practical stroke imaging Transatlantic Course of ESR (European Society of Radiology) and RSNA. Stroke Imaging and Endovascular Treatment: Now and the Future. Session MSSR24B, RSNA, November 29-December 5, 2020

Faculty and Moderator, 15th Congress of the World Federation of Interventional and Therapeutic Neuroradiology, Naples, Italy, October 21-24, 2019

Keynote Speaker, American Heart Association Go Red For Women Event, Sacramento, CA, May 2, 2019

Honored Guest, Chairman & Moderator, Neuroradiology/Neuro-interventional Chapter, 19th Algerian-French Congress of Radiology and Meeting of the Algerian Society of Radiology and Medical Imaging, Algiers, Algeria, April 25-27, 2019
