PACES Brief Resolved Unexplained Event (BRUE) Webinar

What is PACES?

A complimentary peer-to-peer online continuing medical education course supporting clinicians who care for pediatric patients at community hospitals. The program gives clinicians the opportunity to increase their specialized knowledge in pediatric clinical guidelines.

Program Highlights

- One-hour live webinar (Zoom link provided at registration)
- Interactive case presentations regarding pediatric head trauma
- Pediatric education for the whole multidisciplinary team
- Complimentary continuing medical education (CME) credit
