

## **RESEARCH**

---

### **Co-Investigator**

Sacramento, CA

*Outcomes of Renal Transplantation in Undocumented Immigrants: A single Center Retrospective Study*

Principle Investigator Christoph Troppmann, MD, University of California, Davis Medical Center

- Assisted in writing IRB
- Collected retrospective data on all renal transplants performed on undocumented persons at UC Davis Medical Center
- Abstract accepted to the Pacific Coast Surgical Association virtual meeting February, 2021

### **Co-Investigator**

Iquitos, Peru

*Relationship of Dietary Iron Deficiency and Anemia in Urban and Rural Peru*

June 2015

Principle Investigator Nageshwara Gullapalli, MD, University of Nevada, Reno School of Medicine

- Wrote IRB for project including requesting permission from local governments and creating research questionnaire.
- Collected data in Iquitos, Peru and Nauta, Peru and its surrounding villages. Organized and compiled data; performed statistical analysis; created research poster and presented at the American College of Physicians Nevada Chapter Meeting and Regional Meeting.

### **Research Assistant**

San Francisco, CA

*The Stone Research Foundation*

September 2012 – July 2013

Principle Investigator Dr. Kevin Stone, MD, The Stone Research Foundation

- Assisted in retrospective data collection for several studies in progress and compiled all relevant surgical data into a single database. Gathered and statistically interpreted survival data for meniscus allograft transplants performed at The Stone Clinic; co-authored a book chapter on this data involving more than 200 patients over a 20-year period.

## **PEER-REVIEWED PUBLICATIONS**

---

**Luce MS**, Kleber KT, Abdallah AC, Basmaci UN, Perez RV, Troppmann C. Outcomes of Kidney Transplant in Undocumented Immigrants. *JAMA Surg.* 2021 Jul 28:e212870. doi: 10.1001/jamasurg.2021.2870. Epub ahead of print. PMID: 34319374; PMCID: PMC8319817.

## **ABSTRACTS AND PRESENTATIONS**

---

Abstract accepted to virtual meeting of Pacific Coast Surgical Association, anticipated February, 2021

**Luce MS**, Kleber KT, Abdallah AC, Basmaci UN, Troppmann C, Perez RV. Outcomes of Renal Transplantation in Undocumented Immigrants: A Single Center Retrospective Study.

Poster. Gandhi N, Jones A, **Luce MS**, McLean P, Speirs K, Gullapalli N. Relationship of Dietary Iron Deficiency and Anemia in Urban and Rural Peru. Presented at the American College of Physicians Nevada Chapter Meeting – December 4 - 5, 2015.

Poster. Gandhi N, Jones A, **Luce MS**, McLean P, Speirs K, Gullapalli N. Relationship of Dietary Iron Deficiency and Anemia in Urban and Rural Peru. Presented at the American College of Physicians Regional Meeting – November 5, 2015. Qualified to ACP state competition.
