

## Amanda Jeanne Darling, M.D.

<b>Philosophy of Care</b>	Dr. Darling believes in providing a combination of evidenced based, patient specific and compassionate care. She believes that to provide the safest and most stress-free anesthetic, each plan must be individualized to the needs of the patient and their disease processes. By doing this, the anxiety surrounding the perioperative period can be minimized.
<b>Clinical Interests</b>	Dr. Darling is board certified in anesthesiology with subspecialty certification in pediatric anesthesiology. She has interests and experience in anesthesia for congenital heart disease, regional anesthesia and pediatric pain management.
