

Justin Michael Oldham, M.D., M.S.

Clinical Interests	Dr. Oldham is a pulmonologist with expertise in Interstitial Lung Disease (ILD), including idiopathic pulmonary fibrosis, hypersensitivity pneumonitis, and connective tissue disease-related interstitial lung disease. He serves as director of the ILD clinical and research program at UC-Davis and oversees the ILD patient registry and biorepository.
Research/Academic Interests	Dr. Oldham's research interests lie in early ILD detection and translating biomarker research into clinical application.
Title	Assistant Professor of Medicine Director, Interstitial Lung Disease Program
Specialty	Pulmonary Medicine, Critical Care Medicine
Department	Internal Medicine UC Davis Medical Group
Division	Pulmonary, Critical Care, and Sleep Medicine UC Davis Medical Group, Sacramento - J Street
Clinic	UC Davis Medical Group, J Street
Center/Program Affiliation	UC Davis Medical Group
Address/Phone	UC Davis Medical Group - Sacramento (J Street), Pulmonary, Critical Care and Sleep Medicine, 2825 J St. Suite 400 Sacramento, CA 95816 Phone: 916-734-8230
Additional Phone	Clinic Fax: 916-734-0804 Clinic Referral Phone: 916-734-8230 Physician Referrals: 800-4-UCDAVIS (800-482-3284)
Email	joldham@ucdavis.edu
Education	M.D., University of Colorado School of Medicine, Denver CO 2006 M.S., Biostatistics and Epidemiology, University of Chicago, Chicago IL 2015 B.A., University of Colorado, Boulder CO 2002
Internships	Internal Medicine, UC Davis Medical Center, Sacramento CA 2006-2007
Residency	Internal Medicine, UC Davis Medical Center, Sacramento CA 2007-2009

Justin Michael Oldham, M.D., M.S.

Fellowships Pulmonary and Critical Care, University of Chicago, Chicago IL 2011-2016

Board Certifications American Board of Internal Medicine
American Board of Internal Medicine, Critical Care Medicine, 2014
American Board of Internal Medicine, Pulmonary and Critical Care Medicine
American Board of Internal Medicine, Pulmonary Medicine, 2013

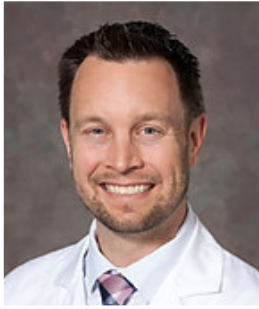

Professional Memberships American College of Chest Physicians
American Thoracic Society
European Respiratory Society

Honors and Awards Intl Colloquium on Lung and Airway Fibrosis Scientific Merit Award, 2018
American College of Chest Physicians Pulmonary Fibrosis Award, 2018
Philip Thai Memorial Lung Research Award, 2016
Pulmonary Fibrosis Foundation Summit Poster Award, 2015
American Thoracic Society Clinical Problems Abstract Award, 2015
Janet Rowley Research Day Clinical Abstract Award, 2014
Medical Student Teaching Award, 2010
