

## Justin Michael Oldham, M.D., M.S.

|                                    |  |
|------------------------------------|--|
| <b>Clinical Interests</b>          | Dr. Oldham is a pulmonologist with expertise in Interstitial Lung Disease (ILD), including idiopathic pulmonary fibrosis, hypersensitivity pneumonitis, and connective tissue disease-related interstitial lung disease. He serves as director of the ILD clinical and research program at UC-Davis and oversees the ILD patient registry and biorepository. |
| <b>Research/Academic Interests</b> | Dr. Oldham's research interests lie in early ILD detection and translating biomarker research into clinical application.   |
| <b>Title</b>                       | Assistant Professor of Medicine<br>Director, Interstitial Lung Disease Program   |
| <b>Specialty</b>                   | Pulmonary Medicine, Critical Care Medicine   |

| <b>Education</b>                   | M.D., University of Colorado School of Medicine, Denver CO 2006<br>M.S., Biostatistics and Epidemiology, University of Chicago, Chicago IL 2015<br>B.A., University of Colorado, Boulder CO 2002   |
| <b>Internships</b>                 | Internal Medicine, UC Davis Medical Center, Sacramento CA 2006-2007  |
| <b>Residency</b>                   | Internal Medicine, UC Davis Medical Center, Sacramento CA 2007-2009  |

## Justin Michael Oldham, M.D., M.S.

**Fellowships** Pulmonary and Critical Care, University of Chicago, Chicago IL 2011-2016

**Board Certifications** American Board of Internal Medicine  
American Board of Internal Medicine, Critical Care Medicine, 2014  
American Board of Internal Medicine, Pulmonary and Critical Care Medicine  
American Board of Internal Medicine, Pulmonary Medicine, 2013

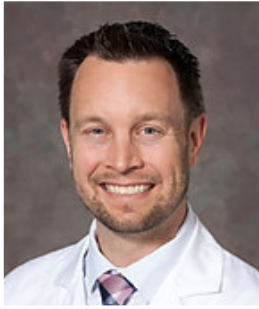

**Professional Memberships** American College of Chest Physicians  
American Thoracic Society  
European Respiratory Society

**Honors and Awards** Intl Colloquium on Lung and Airway Fibrosis Scientific Merit Award, 2018  
American College of Chest Physicians Pulmonary Fibrosis Award, 2018  
Philip Thai Memorial Lung Research Award, 2016  
Pulmonary Fibrosis Foundation Summit Poster Award, 2015  
American Thoracic Society Clinical Problems Abstract Award, 2015  
Janet Rowley Research Day Clinical Abstract Award, 2014  
Medical Student Teaching Award, 2010

**Select Recent Publications** Adegunsoye A, Oldham JM, Bellam SK, Chung JH, Chung PA, Biblowitz KM, Montner S, Lee C, Hsu S, Husain AN, Vij R, Mutlu G, Noth I, Churpek MM, Streck ME. African-American race and mortality in interstitial lung disease: a multicentre propensity-matched analysis. *The European respiratory journal*. 2018;(51).
