

William R. Lewis, M.D.

Clinical Interests	William R. Lewis' study of immediate exercise treadmill testing of chest pain patients in the emergency room has shown the safety and efficacy of this care pathway. He continues to be interested in appropriateness and accuracy of stress testing in selected populations.
Research/Academic Interests	Dr. Lewis is interested in immediate exercise testing for chest pain patients and the utility of noninvasive testing in subgroups (i.e. left bundle branch block).
Title	Professor, Division of Clinical Internal Medicine
Specialty	Echocardiography
Department	Internal Medicine
Division	Cardiovascular Medicine
Clinic	UC Davis Heart Center
Address/Phone	Lawrence J. Ellison Ambulatory Care Center, 4860 Y St. Suite 2820 Sacramento, CA 95817
Additional Phone	Clinic Phone: 916-734-3762 Physician Referrals: 800-4-UCDAVIS (800-482-3284)
Education	M.D., Duke University School of Medicine, Durham NC 1985 B.S., UC Davis, Davis CA 1978
Internships	General Surgery, Harbor UCLA, Torrance CA 1985-1986 Internal Medicine, UC Davis Medical Center, Sacramento CA 1986-1987
Residency	Internal Medicine, UC Davis Medical Center, Sacramento CA 1987-1989
Fellowships	Cardiovascular Medicine, UC Davis Medical Center, Sacramento CA 1989-1993
Board Certifications	American Board of Internal Medicine, 1989 American Board of Internal Medicine, Cardiovascular Medicine, 2021
Professional Memberships	American College of Cardiology California Chapter of the American College of Cardiology Sierra Sacramento Valley Medical Association
Honors and Awards	California Chapter of the American College of George L Smith Cardiology Advocate of the Year, 2010
