

# Lindsey Rae Goetz, M.D.

<b>Philosophy of Care</b>	Dr. Goetz strives to provide high-quality, comprehensive, and patient-centric care for adults with kidney problems and hypertension, aligning the latest evidence-based medical science with her patients' unique values and health goals.
<b>Clinical Interests</b>	Dr. Goetz is a general nephrologist offering care to adult inpatients and outpatients with various acute and chronic kidney problems including long-term kidney replacement therapies (e.g. hemodialysis, peritoneal dialysis), kidney transplants, electrolyte imbalances, and hypertension. She is also a certified interventional nephrologist at the UC Davis Vascular Access Unit where she completes a variety of procedures including insertion of dialysis and apheresis catheters and interventions to diagnose and treat dysfunctional dialysis accesses including hemodialysis fistulas, grafts, and catheters and peritoneal dialysis catheters.
<b>Title</b>	Assistant Clinical Professor
<b>Specialty</b>	Nephrology, Interventional Nephrology
<b>Department</b>	<a href="#">Internal Medicine</a>
<b>Division</b>	Nephrology
<b>Address/Phone</b>	Lawrence J. Ellison Ambulatory Care Center, 4860 Y St. Suite 0101 Sacramento, CA 95817
<b>Additional Phone</b>	Clinic Phone: 916-734-2737 Clinic Phone: 916-734-7825 (Vascular Access Unit) Clinic Fax: 916-734-7688 (Vascular Access Unit) Clinic Fax: 916-734-2292 Physician Referrals: 800-4-UCDAVIS (800-482-3284)
<b>Education</b>	M.D., University of Colorado School of Medicine, Aurora CO 2010 B.A., Creighton University, Omaha NE 2006
<b>Residency</b>	Internal Medicine, University of North Carolina Hospital, Chapel Hill NC 2010-2013
<b>Fellowships</b>	Interventional Nephrology, UC Davis Medical Center, Sacramento CA 2018 Nephrology (Clinical), University of Colorado Denver School of Medicine, Aurora CO 2013-2015 Nephrology (Basic Science Research), University of Colorado Denver School of Medicine, Aurora CO 2015-2016
<b>Board Certifications</b>	American Board of Internal Medicine American Board of Internal Medicine, Nephrology
