

Naomi Hauser, M.D., M.P.H.

Philosophy of Care	I believe in providing evidence-based, compassionate, and personalized care in a comfortable and open-minded setting.
Clinical Interests	Dr. Hauser is an infectious disease physician offering care for adults with general infectious diseases and HIV, and is specifically experienced with young adults with HIV as they transition from pediatrics to adult HIV care. Additional clinical interests include the diagnosis and treatment of tick-borne diseases, hospital epidemiology, infection prevention, and antimicrobial stewardship.
Research/Academic Interests	Dr. Hauser's research interests include public health, One Health, zoonotic infectious diseases, and human infectious disease as it relates to climate change.
