

Kuang-Yu Jen, M.D., Ph.D.

Clinical Interests	Dr. Jen is the Director of Renal Pathology and specializes in renal and transplant pathology. He is the primary contact for the Renal Pathology Outreach Service, which provides diagnostic assessment of native and transplant renal biopsies.
Research/Academic Interests	Dr. Jen's research focuses on using histopathologic data to predict clinical outcome, focusing on native kidney disease and renal transplants. Histopathologic data consists of morphologic findings obtained from traditional microscopic examination as well as developing and using state of the art deep learning-based image analysis on digital images.
Title	Director of Renal Pathology Associate Professor
Specialty	Pathology - Renal, Pathology - Transplant
Department	Pathology and Laboratory Medicine
Division	Anatomic Pathology
Clinic	Transplant Center
Address/Phone	Patient Support Services Building, Patient Support Services Building - Pathology, 4150 V St. Sacramento, CA 95817
Additional Phone	Physician Referrals: 800-4-UCDAVIS (800-482-3284)
Languages	Chinese (Mandarin)
Education	M.D., University of Pennsylvania School of Medicine, Philadelphia PA 2006 Ph.D., Cell & Molecular Biology, University of Pennsylvania, Philadelphia PA 2005 B.A., Northwestern University, Evanston IL 1998
Residency	Anatomic Pathology, UC San Francisco Medical Center, San Francisco CA 2006-2009
Fellowships	Renal Pathology, UC San Francisco Medical Center, San Francisco CA 2010-2011 Surgical and Transplant Pathology, UC San Francisco Medical Center, San Francisco CA 2011-2012
Board Certifications	American Board of Pathology, Anatomic Pathology

Kuang-Yu Jen, M.D., Ph.D.

Professional Memberships

American Society of Nephrology
College of American Pathologists
Renal Pathology Society
United States - Canadian Academy of Pathology

Honors and Awards

ASCP Leadership Institute Certificate Program, 2019
Outstanding Poster, Kidney Research Symposium, UC Davis, 2017
Excellence in Teaching Award, Haile T. Debas Academy of Medical Educators, UCSF, 2015
Chief Resident, Anatomic Pathology, UCSF, 2011
Resident Teaching Award, Department of Pathology, UCSF, 2011
