

## Lee L.Q. Pu, M.D., Ph.D., F.A.C.S.

### Philosophy of Care

Dr. Pu strives to assure his patients receive the highest quality of patient care, safety, and surgical outcome after a cosmetic or reconstructive surgical procedure. His relationship with his patients and their safety is a priority in his practice. Dr. Pu's patients receive personalized care with compassion and have the best possible results after surgery. As a surgeon, innovator, and educator, Dr. Pu possesses a unique set of skills and always strives to be the best in a procedure of your choice.

### Clinical Interests

Dr. Pu is known for his ability to solve difficult clinical problems with innovative techniques in both reconstructive and aesthetic plastic surgeries. He has made many contributions to lower-extremity reconstruction, reconstructive breast surgery, and many other areas of reconstructive surgery including microsurgery. In addition, he also has expertise in structural fat grafting, minimally invasive facial cosmetic surgery, and cosmetic surgery of the breast.

### Research/Academic Interests

Dr. Pu's research interests focus on long-term preservation of adipose tissues, improvement of fat grafting technique, and application of stem cell technology.

**Title** Professor, Department of Surgery

**Specialty** Cosmetic Facial Surgery, [Plastic Surgery](#), Surgery - Plastic & Reconstructive, [Surgery - Facial, Plastic and Reconstructive](#), Surgery - Plastic Surgery

**Department** [Surgery](#)

**Division** Plastic Surgery

**Center/Program Affiliation** [UC Davis Medical Group](#)

**Address/Phone** UC Davis Medical Center - Cypress Building, 2221 Stockton Blvd. Suite E Sacramento, CA 95817  
**Phone:** 800-2-UCDAVIS (800-282-3284)

Cannery Building, Plastic Surgery, 3301 C St. Suite Suite 1100 Sacramento, CA 95816  
**Phone:** 916-734-7844
