

## Using the UC Davis Kidney Transplant Online Referral Portal

#### www.UCDavisTransplantReferral.org

This online portal allows providers to refer patients for kidney transplant evaluation at UC Davis.

# REGISTER FOR A NEW ACCOUNT *or* LOGIN TO AN EXISTING ACCOUNT:

1. Go to our website, www.UCDavisTransplantReferral.org. Click on "Providers."

| HAATH Home Home   |
|---|
| UC Davis Transplant Referral Portal   |
| Patients Providers If you are interested in to demand particular restrict self-referral for transplant. For transplant                                      |
| Resources and Information:<br>https://basith.ucdavis.adu/tanaslant/   |
| The information collected in this survey is shirtly confidential and protected by Federal Law. Results are transmitted to authorized health care providers. |
|   |

2. In the upper right-hand corner, click on "Register for an account [for new accounts]" or "Login [for existing accounts]."

If you've already used a similar online referral portal at a different facility to refer patients for kidney transplant, your existing account username and password will also work for the UC Davis Referral portal. You can choose the "Login" option, and do not need to re-register.

#### To register:

a. Fill in your contact information and click "Sign up." You should then receive an email from "Transplant Referral Portal." Click on the "set your password" link in the email.
