

Offices of Diversity, Equity and Inclusion in Medical Schools: What are they doing and how?

Study Purpose

The purpose of this study is to:

- Describe the experiences of leadership in medical school diversity offices
- Identify successful strategies and challenges to implementing and sustaining effective diversity and inclusion initiatives

Eligibility

Current and former leaders of offices whose mission is to advance diversity, equity and inclusion at US medical schools

Involvement

Participation in this study includes

- 45-60 minute interview via videoconference
- Brief post-interview survey
